BIG DOINGS AT STATE FAIR.

With premiums in the several departments of the Vermont State Fair, which will be held on the State Fair grounds in White River Junction September 12, 13, 14 and 15, aggregating \$20,000 and with purses for the trotting events reaching close to \$5,000, the commission having this State event in hand is again demonstrating its liberality.

Exhibitors of cattle, horses, sheep and swine, and of all farm produce have high regard for the State fair. It pays them to make exhibits there, the premiums being of satisfying amounts. Breeders of cattle and horses from other States find at this fair that judging is fair and that the premiums won are on the merit of the stock.

There is every promise of hotly contested racing on the track. The entries are large in all events. There will be two stake races, a 2.20 pace and a 2.20 trot, each with a purse of \$1000. These two events have brought a big string of entries. Lovers of horse racing are promised a treat each day of the fair.

State Fish Commissioner Titcomb is arranging for an extensive exhibit of the fish that inhabit Vermont waters—a more comprehensive and complete exhibit than has yet been made.

AUTO RUNS INTO CARRIAGE.

A carriage containing Oliver Trudo and Mr. and Mrs. Ernest Trudo of Weybridge was run into and overturned Saturday evening near the High school by an automobile owned and driven by Joseph Blaize of Cornwall. The carriage was badly damaged, but the horse escaped injury. The occupants of the carriage received a few slight bruises and left for home after procuring another vehicle. At the time of the accident there was another car approaching the team and Mr. Blaize, who was behind the team, was blinded by the lights of the approaching car and did not see the team containing the Trudos until too late to avoid a collision. It will be remembered that one week previous Mrs. Oliver Trudo was knocked down while crossing Main street and quite badly injured.

D. A. R. CELEBRATE.

The occasion was further graced by the presence of Mrs. E. R. Pember of Wells, State vice regent, also invited guests from Middlebury, New York and visitors at the homes of local members. About sixty were in attendance. The program was Shakespearean. Mrs. William Ballou read a fine paper on Shakespeare and a biographical sketch of the life and work of Henry Hudson, by Marguerite Lane, was in her absence read by her sister, Mrs. C. L. Witherell. A Shakespearean courtship and a roll call of Shakespearean quotations was arranged by Miss Sanford. The chapter was favored by interesting remarks by Mrs. Pembers, Mrs. Warner, Mrs. Smith and Mrs. Brewster. Mrs. Kathleen Taylor presented the chapter, with a framed copy of the Declaration of Independence, also a picture, "Columbus Before the Court of Spain." The program was interspersed with music. A substantial luncheon was served by the hostess, Mrs. Lane and assistants. Adjourned until October 21. KATHARINE GRISWOLD, Historian.

DEER CHASED BY DOGS.

William St. Clair of Charlotte was brought before Justice Dickens by County Game Warden George H. Chaffee for allowing his dogs to chase deer. He pleaded guilty to the charge and was fined \$100 and costs of \$8. On agreeing to take proper care of his dogs in the future \$50 of the fine was remitted. Game wardens have had a good deal of trouble in that vicinity by owners allowing dogs to chase deer. The dog in question was killed by a party who saw the dog chasing the deer. This is about the only way wardens can get any evidence as to the owners of dogs which follow the practice of chasing deer.
